UNOFFICIAL

Good morning Belinda,

Thank you kindly for your time on the phone this week to discuss the recent correspondence my husband and I received from Council concerning its proposal to name Road 1031, which is a Right of Carriageway that runs through our property.

In accordance with the attached Road Naming policy, we would like to suggest the road be named "Reedy Creek Road" and that all signage contain the words "Private Road". We welcome any additional "No Through Road" signs that Council may wish to erect.

We understand that as a result of this process our address may no longer be: [REDACTED] Jamaleopa Road, Manar.

We look forward to engaging with Council throughout the process and please don't hesitate to get in touch if you have any further questions.

My contact number is [REDACTED] and [REDACTED] number is [REDACTED].

Kindest regards,
[REDACTED]

Dear Linda,

Re: Naming Proposal for an unnamed Road.

With Reference to letter received recently re the naming of the road accessed from The Glen Road we wish to submit our suggestion as a land owner on this road.

I have also spoken to [REDACTED] and [REDACTED] who both own properties on this road. Both of these property owners agree that our suggestion below is a good name.

The suggestion of **Lane instead of Road** is that it is a private access and being a Lane makes it sound less like a public thoroughfare.

Our suggestion for the road is **REEDY CREEK LANE.**

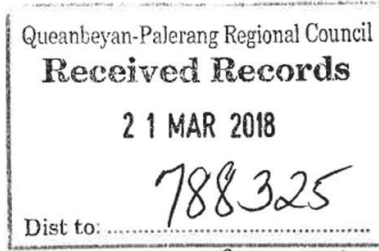

I assume that the other two property parties named above will be submitting their own correspondence.

Kind Regards

[REDACTED]

Naming proposal road 1031

To whom it may concern,

I refer to correspondence from Council regarding naming the above unnamed road off The Glen Road, Manar.

I would like to propose that the road be named Reedy Creek Lane/Drive or something that bears the name Reedy Creek which is the watercourse the road crosses.

Thank you for the opportunity to offer a name.

Many thanks.
