15 Council has entered into a grant funding deed

15.1 The Council warrants that it has entered into a written agreement with the State government for the provision of the State government grant funding for the purposes of providing and funding Council Funded Works Item 1 in Schedule 4.

16.2.2 up to \$8 million towards Council Funded Works Item 2.

16.3 Except as specified in clause 16.4, if the cost of the Council Funded Works Item 1 exceeds the amount of the State government grant funding allocated to it then the excess costs must be paid by VBC and Poplars in proportions which reflect the respective demand created for that item by development on the Poplars Land and the VBC Land

16.4 The Additional Stage 1A Costs as defined in Schedule 8 are to be paid by VBC and Poplars in the proportions specified in Column 3 of that Schedule and clauses 16.5 to 16.8 do not apply to the Additional Stage 1A Costs.

~~16.4~~16.5 If the parties are unable to agree on the proportion of the additional costs to be paid by VBC and Poplars at ~~the a~~ meeting held pursuant to cl. ~~16.3~~16.5 then the Council must appoint an Independent Infrastructure Planning Consultant to make that determination within 10 business days of completion of Council Funded Works Item 1.

~~16.5~~16.6 The Independent Infrastructure Planning Consultant must determine the apportionment of the excess costs of the Council Funded Work Item 1 between VBC and Poplars by:

That notice must be provided at least 15 business days prior to the change being implemented by the Council.
