

Welcome to our April Project Update

Keeping you up to date with the Queanbeyan Civic and Cultural Precinct. The QCCP project is changing as each week passes. The team completed the third ground floor transfer deck on the western section of the site, whilst structure is progressing well on the eastern section of site. Please see below for an update of forthcoming works on the project or follow the above QR code to read more about the exciting project.

What's happening in construction?

Structure to Mezzanine level is now underway with formwork nearing completion to the first zone. External works along Crawford street are in the final zone of reinstatement of areas. The western section of the basement has now been poured which now allows services works to HV and stormwater to commence in this area.
