

Welcome to our May Project Update

Keeping you up to date with the Queanbeyan Civic and Cultural Precinct. The QCCP project is changing as each week passes. The team completed the first of 2 concrete pours to the Mezzanine this week, the public should start seeing the building creep higher as each week passes. Works in the public domain of Lowe Street are underway with the construction of new substations having commenced this week. Please see below for an update of forthcoming works on the project or follow the above QR code to read more about the exciting project.

What's happening in construction?

Structure to Mezzanine level is now nearing completion with L1 works to commence this coming week. HV Electrical upgrade works have commenced to Lowe Street carpark with construction of the new substation plinths having started this week.
