

**Welcome to our July Project Update**

Keeping you up to date with the Queanbeyan Civic and Cultural Precinct. The QCCP project is changing as each week passes. The team has now completed all of the Level 1 slabs with both Level 2 slabs to be completed by month's end. External to the site, works continue on the new HV upgrade. The structure of the new pad mount enclosure to house the two new pad mount sub stations is under construction and will be completed in the coming weeks. See below for an update of forthcoming works on the project or follow the above QR code to read more about the exciting project.

**What's happening in construction?**

Structure to Level 1 is nearing completion with works to commence on Level 2 this week. HV Electrical upgrade works to Lowe Street carpark are still underway with blockwork to the new substation structure to commence.
