

Welcome to our August Project Update

Keeping you up to date with the Queanbeyan Civic and Cultural Precinct. The QCCP project is changing as each week passes. The team hit a significant milestone with the removal of scaffolding to the Southern Tower. The public can now start to see the sheer size of the precinct. See below for an update of forthcoming works on the project or follow the above QR code to read more about this exciting project.

Should you have any queries or feedback regarding the works, please keep in mind ADCO’s 24-hour telephone assistance line is available. Please feel free to call ADCO Constructions on 1800 232 628 should you wish to raise any concerns.

What’s happening in construction?

Structure to Level 5 is nearing completion with Level 6 works to commence next week. This will see through the structural “top-out” of the project early next month.

Meanwhile, within the structure, service trades have commenced rough-in works to the lower levels. Façade and Fit-Out trades are soon to follow.

Externally, HV upgrades are occurring in the Lowe Street carpark and are nearing completion. The public will also see that the structure and fencing to the sub station are complete.

Construction Activities
