

Welcome to our November Project Update

Keeping you up to date with the Queanbeyan Civic and Cultural Precinct. The last few weeks have been challenging with on going wet weather hindering progress to in ground works, however the team is pushing through with good progress. Please below for an update of forthcoming works on the project or follow the above QR code to read more about the exciting project.

What's happening in construction?

Bulk excavation to the basement is well underway with the eastern end of the basement getting ready for a final detail in anticipation for foundation piles to commence next week.

Western basement works are underway with retaining wall construction to commence in early Jan 21.
