Information Sharing between Parents, Educators and Co-ordination Unit Policy

1. OUTCOMES:

Stakeholders are aware of the importance of good communication between all parties involved in the childcare arrangement.

2. POLICY:

Queanbeyan-Palerang Family Day Care encourages good communication between all stakeholders. The aim is to provide customers with an equitable, fair, transparent and customer friendly approach.

3. RELEVANT LEGISLATION

[Education and Care Services National Regulations](#)
[Education and Care Services National Law](#)
[Privacy and Personal Information Protection Act 1998](#)
[Health Records and Information Privacy Act 2002](#)

4. CONTENT

The Queanbeyan-Palerang Family Day Care Co-ordination Unit recognises the vital link that parent/educator communication serves in the overall communication process. It is the most frequent point of contact within the service and occurs between the two parties who are the best informed about the needs of each child and family.

5. PERFORMANCE INDICATORS:

- Number of newsletters to parents and educators
- Number of emails sent to parents and educators.

6. KEY RESOURCES:

[Prescribed Information - Procedure](#)

Communication – Procedure

Queanbeyan-Palerang Family Day Care values the views of parents, educators, and staff. Effective communication and a sense of cohesion and united purpose is paramount in providing the highest quality childcare for children in Queanbeyan-Palerang Family Day Care.

FAMILY DAY CARE CO-ORDINATION UNIT

Co-ordination Unit staff maintains regular contact with parents and educators through various mediums, such as visit notes left by Child Development Officers when they visit children in care, emails, newsletters, phone calls, social events.

Co-ordination Unit staff welcome constructive comments from parents and educators, whether they be favourable or unfavourable.

EDUCATORS

Educators play a very important role in maintaining good communication with Queanbeyan-Palerang Family Day Care Co-ordination Unit staff, parents, and children.

PARENTS

Queanbeyan-Palerang Family Day Care Co-ordination Unit staff endeavour to maintain regular contact with parents. Parents are encouraged to contact staff if they wish to discuss any issue regarding their childcare arrangements.

CHILDREN

Children “have a voice” and play a very important role in communicating their needs, wants and interests. Queanbeyan-Palerang Family Day Care aims to listen to their needs and provide a quality childcare service in doing this.

Suggestions/Comments – Additional Information

Queanbeyan-Palerang Regional Council acknowledges the importance of parents, educators and staff having input into the operations of Queanbeyan-Palerang Family Day Care.

If parents/educators wish to make any suggestions/comments information can be provided to the Co-ordination Unit in writing or parents/educators may wish to speak directly with Co-ordination Unit staff. Such contact is welcomed, and all suggestions/comments will be acknowledged by staff.

Participation in Queanbeyan-Palerang Family Day Care – Additional Information

Parents and educators registered with Queanbeyan-Palerang Family Day Care are encouraged to participate in the operations of the service. Parents' and educators' input into the operations of the service are valued.

From time to time the service will invite parents and their children to attend social activities organised by the service, such as an end of year celebration, visit by emergency services, open days, playgroups, excursions to various venues and other functions.

The service also makes regular contact with families via newsletters, emails, visit notes and phone calls.

On a more individual level, families and educators communicate daily and by sharing information this supports collaborative partnerships.

Parents' input is sought by educators in developing an understanding of children's strengths and areas where they may require additional support. Ideas about activities their child enjoys and the best ways to support their child are also ways in which the parent can participate in the programming and planning cycle of activities.

The service is always seeking input from parents and educators to assist in the development of quality improvement plans, policies, and procedures. Give the service a call if you would like to be more involved.

Prescribed Information – Procedure

Parents and educators must have access to information regarding the nominated supervisor and the contact information for the Department of Education and Communities.

Educators are required to display “Prescribed Information” for the information of parents.

Orientation of Parents Policy

1. OUTCOMES:

We aim to ensure our enrolment and orientation processes meet the unique needs of the child and family. This will support them during their transition to the service, help to develop collaborative partnerships, and promote a sense of belonging to Queanbeyan-Palerang Family Day Care.

2. POLICY:

Families registered with Queanbeyan-Palerang Family Day Care are provided with accurate information about their childcare arrangements, access to financial assistance through Services Australia, and other information which may be necessary.

Queanbeyan-Palerang Family Day Care values respectful and supportive relationships with our families as the foundation of smooth transition and quality outcomes for children in the service.

We actively seek the input of all those associated with the service in our decision-making processes. For families, we ensure this begins at enrolment.

Educators educational program account for each child's knowledge, strengths, ideas, culture, abilities, and interests. We believe enrolment and orientation is an important opportunity to begin to gather this information from the child and their family.

Queanbeyan-Palerang Family Day Care are committed to good governance and quality management. Our systems and practices ensure that our record keeping meets regulatory requirements, including in relation to confidentiality and storage.

3. RELEVANT LEGISLATION

6. RELEVANT PROCEDURES

[Orientation Process for Parents – Procedure](#)
[Initial Interview – Parents and Educator – Additional Information](#)

Orientation Process for Parents – Procedure

Queanbeyan-Palerang Family Day Care maintains a registration list of parents who require childcare with the service. At times, this list may contain a significant number of families requiring childcare. The number of families on the registration list and care requirements will determine the length of time before a child can be placed into care with the service.

Once a parent has been placed on the registration list, it is important for the parent to maintain contact with the service regarding their childcare needs.

When the service has a suitable vacancy for the child, the parent will be contacted. Parents are then required to complete the enrolment process.

- Complete the relevant paperwork, including provision of Customer Reference Numbers from Services Australia, Medicare numbers, immunisation history statement and pay a registration fee
- Outline their childcare requirements.
- Gain an understanding of Government legislation, including the Child Care Subsidy
- Gain an understanding of the service's requirements, policies, and procedures.
- Provide the service with information about the child for example medical management plans.
- Have any questions answered.

Families will be provided with at least one educator's contact details who has been appraised about the possible placement.

It is the responsibility of the family to then contact the educator/s and make a time to visit the educator/s.

Parents are encouraged to visit all educators. If the parents feel comfortable with one of the educators, they should sign a placement contract with that educator indicating the commencement date, hours to be used and payment details. Unsuccessful educators are to be advised by the parent.

This information outlined in the enrolment form and placement contract is used to link the family to Service Australia for the purpose of accessing Child Care Subsidy for those families who are eligible.

The Co-ordination unit will maintain contact with the family to discuss the parent's satisfaction, or otherwise, in relation to the care arrangement.

Initial Interview – Parents and Educator – Additional Information

Families and educators registered with Queanbeyan-Palerang Family Day Care are encouraged to discuss information about the placement of children into care to ensure that it will be a successful arrangement. This will ensure the individual needs of the child and their family are considered and will assist with a smooth transition into the service. The family's decision making into their child's learning and wellbeing will be incorporated where possible.

Some topics to be discussed:

- Outline the days and hours the educator can offer and additional care that may be required in the future (if known)
- Individual fee structures and fee reviews
- Fees and when these need to be paid.
- Arrival and departure procedures
- The educator's daily routine, educational program, and any regular outings/excursions
- The child's medical history (e.g., allergies, asthma, additional needs), any special cultural or religious requirements, any special dietary needs and any problems the child has experienced in care before.
- Service policies and educator requirements in relation to illness, nutrition, termination of care and grievances
- The behaviour management techniques used by the educator.
- What to send with the child – appropriate clothing, adequate and healthy food, hat, etc.
- Emergencies – how and who the educator should contact.
- No medication should be given without specific permission (see Medication Policy)
- Toilet training – discuss ideas on toilet training and toileting or nappy changing habits and routine.
- Social activities – celebrations, excursions and outings and how they are performed (e.g. transport and permission forms)
- Your family and theirs – a good way to know each other is to firstly know a bit about each other's.

Fees Policy

1. OUTCOMES:

Fees charged by educators registered with Queanbeyan-Palerang Family Day Care are fair and competitive and to provide a clearly defined payment procedure.

2. POLICY:

As an operator of a Family Day Care service, Queanbeyan- Palerang Regional City Council through its Queanbeyan-Palerang Family Day Care service, is responsible for ensuring that an educators' service complies with all legislative and business obligations.

Queanbeyan-Palerang Family Day Care is an approved service. The service is eligible for Australian Government fee assistance, Child Care Subsidy (CCS) and associated fee assistance types. The service authorises educators acting as agents for the service to enter care arrangements with families on their behalf. Payments collected from families by educators is on behalf of the service.

3. RELEVANT LEGISLATION

[Education and Care Services National Regulations](#)
[Education and Care Services National Law](#)

4. CONTENT

Queanbeyan-Palerang Family Day Care has the authority to apply a fee setting policy to the charges which educators registered with the service are to apply to parents using childcare with the service. The service also can place some restrictions on other requirements within this fee setting policy (including but not limited to – the service's core hours and penalties to be charged by educators).

5. KEY RESOURCES:

[Education and Care Services National Law](#)

6. RELEVANT PROCEDURES

[Fee Setting – Procedure](#)
[Fees Charged to Parents – Additional Information](#)
[Fees Charged to Educators – Additional Information](#)

Fee Setting – Procedure

Queanbeyan-Palerang Family Day Care has the authority to apply a fee setting policy to the charges which educators registered with the service are to apply to parents using childcare with the service. The service can place some restrictions on other requirements within this fee setting policy (including but not limited to - the service's core hours and penalties to be charged by educators). In doing this the service will comply with the guidelines set out in the Child Care Service Handbook (<https://education.gov.au/child-care-service-handbook-0>) for the relevant year and other relevant legislation.

It should also be noted that an educator cannot charge a fee for the care of a child that is different to the fee charged for any other child for the same kind of care.

Intrinsic to the fee setting policy is the requirement to ensure that the service's fees remain competitive with other forms of childcare operating in the area, including long day care centres, before and after school programs and other family day care programs.

The amount an educator charges depends on the service provided and the amount that customers are prepared to pay. Educators should also consider that some fees include meals and nappies.

A good business practice is to increase fees once a year, reserving the right to review fees midyear. 1 January and 1 July are the usual times for increases and review. It should be noted that families in receipt of Child Care Subsidy (CCS) receive a Consumer Price Index (CPI) increase in July.

Range of Fees

Each financial year, Queanbeyan-Palerang Family Day Care sets a range of fees to be charged by educators.

Minimum Hours Charged

One of the flexible options that draws families to family day care is that parents can contract for the number of hours they need each day, rather than contract for a full day as in a centre-based care setting.

To maintain this flexibility for parents, the service strongly recommends educators set a minimum number of hours up to 8 hours per day. Educators who charge beyond 8 hours per day, particularly when parents do not need the extra care, run the risk of outpricing themselves and being less competitive than other educators.

Minimum hours do not apply to children using before and after school hours care, or children who need backup care for a short time.

Incidentals

Educators may charge parents for incidentals such as nappy wipes, nappies, creams etc. These charges must be commensurate with the actual cost of these items.

Food Charges

Where an educator provides food to children and charges a fee for this, educators can include this fee in their actual cost of care or an individual cost for each meal. Again, the fees charged must be commensurate with the actual cost of these items.

Please note, where educators provide food on a regular basis, educators must notify the NSW Food Authority and Queanbeyan- Palerang Regional Council's Environmental Health section (more information can be obtained from the Co-ordination Unit).

Travel

Where an educator transports children by car e.g., pick-up or delivery to a pre-school or home, educators may charge a set rate per kilometre or have a set cost per trip.

Please note, where educators charge families a separate fee for travel, motor vehicle insurers will view that as two separate businesses and may require educators to take out a commercial policy to cover the transportation business.

Where an educator accompanies (walks) a child/ren to school, bus stop, pre-school, the fees charged must be commensurate with the actual cost of this trip.

In determining what fees educators should consider setting, the following questions should be considered:

Qualifications/Skills/Knowledge/Experience

To assist educators to determine an appropriate level of remuneration, the service will consider the various qualifications educators have and the educator's ability to apply this qualification to the childcare setting.

Educators will need to provide information about their highest level of qualification, e.g., Certificate III, Diploma, Associate Diploma, Bachelor of Education and/or other qualification. It will also be important for educators to show the relevance of this qualification to the actual role of an educator.

In determining an appropriate level of remuneration, the service looks at this holistically and takes into consideration the knowledge, skills, and experience of the educator. This will be determined by the number of years the educators have worked in childcare/family day care, the amount of training undertaken by the educator (including the currency of training), and the educator's ability to apply their skills and knowledge to daily practices. Proposed fee schedules can be approved or declined by the Nominated Supervisor.

Professional development, documentation, compliance, physical environments, collaborative partnerships with staff, families, children, and communities and, social opportunities, children's health and safety are also considered amongst other things.

Fees Charged to Parents – Additional Information

ADMINISTRATION LEVY

The administration levy is set by Queanbeyan Palerang Regional Council through its annual Fees and Charges process, and after consultation with the Co-ordination Unit.

The administration levy is applied to every hour of hour that child/ren use. The administration levy is deducted from a parent/guardian's childcare benefit and/or childcare rebate payment via the educator.

The levy is used to support the service to operate.

PARENT/SIBLING REGISTRATION FEE

The parent registration fee is paid by parents/guardians upon registration with Queanbeyan-Palerang Family Day Care, at the time the enrolment is completed. This fee is applied to parents/guardians to assist the service to meet the workload involved in placing a child into care with the service.

This fee is non-refundable and is to be paid to the service via EFT or EFTPOS. Care cannot commence until the registration/sibling fee has been paid.

Similarly, if parents/guardians need to enrol a sibling later, a further fee will apply when the relevant paperwork is completed (sibling fee)

Please note: If a child does not use care in a twelve-month period or more, the parent/sibling registration fee will need to be paid again before the child can commence care.

GAP FEE/FEE PAYMENT

Families that are eligible to receive Child Care Subsidy are required to make a co-contribution to their childcare fees and pay the educator directly the difference between the fee charged and the subsidy amount known as *'the gap fee'*.

Queanbeyan -Palerang Family Day Care is not involved in the calculation of a family's CCS entitlements. This is a matter between the family and Centrelink. Families should ensure they provide true and complete information to Centrelink for the purpose of claiming CCS. This is a legal requirement of families, and the provision of incorrect information may result in families incurring debts that need to be recovered later by Centrelink.

Families that are not eligible to receive CCS pay the educator the full cost of care.

Families are required to pay fees as per the contractual agreement. Failure to do so may result in debt recovery action being taken and the service has the right to deny further care to any family who has failed to pay for care.

Gap fee/fee payments must match exactly the amount on the payment advice issued by Queanbeyan-Palerang Family Day Care each fortnight.

DEBT RECOVERY

Queanbeyan-Palerang Family Day Care reserves the right to take action to recover debt owing. This can include the engagement of debt collectors to recover the monies owed.

Where a family owes any overdue fees, the child's contract may be suspended, until all outstanding monies are paid, or both parties agree to a payment plan.

Fees not paid by the due date will be followed up as below:

- An initial letter/email stating fees are overdue will be sent no later than 7 days after the fees due date, outlining 7 days for payment. An educator may wish to add a late fee to the outstanding balance.
- If payment is not received, families will be invited, by telephone and written communication, to attend a meeting with the Nominated Supervisor to discuss a possible payment plan signed by both parties if the educator is in agreeance of this.
Failure to attend the meeting and continued non-payment, or entering a payment plan, will result in care being suspended and the child will be unable to access care within the service.
- Queanbeyan-Palerang Family Day Care will reserve the right to employ the services of a debt collector and the family will be responsible for all fees associated with recovering the debt.

Dishonouring a payment outlined in a payment plan will result in the contractual agreement being suspended.

Families may apply for Additional Child Care Subsidy (ACCS) through Service Australia. if they are experiencing temporary financial hardship. Families must be eligible for CCS to be able to apply for ACCS.

Fees Charges to Educators – Additional Information

Educators registered with Queanbeyan-Palerang Family Day Care pay an educator fee which is charged per child per hour.

This fee is non-refundable.

The money raised from the educator levy assists the services operational costs.

The educator fee is set by Queanbeyan-Palerang Regional Council through its annual Fees and Charges process.

Educators must notify Family Day Care staff when gap fee/full payment have not been paid as per the contractual agreement.

Policy review date: July 2023

Next policy review date: July 2024

Complaints/Grievance Policy

1. OUTCOMES:

Queanbeyan Palerang Family Day Care has a positive and transparent complaints and grievances management and policy procedure. The service is committed to providing a safe, nurturing, and respectful environment for children in our care and maintaining open communication with families. We recognise that concerns and issues may arise from time to time, and we are dedicated to addressing these promptly and effectively through a transparent complaints and grievance process.

2. POLICY:

Queanbeyan-Palerang Regional Council encourages good communication between all areas of the Council and empowers staff with delegations to resolve complaints wherever possible at the first point of contact. To promote a culture of open communication, that allows for awareness of potential concerns before they become formal complaints grievances. The service will ensure complaints and grievance are addressed promptly and confidentially according to procedure.

3. RELEVANT LEGISLATION

[Education and Care Services National Regulations](#)

[Education and Care Services National Law](#)

[Privacy and Personal Information Act 1998](#)

7. RELEVANT PROCEDURES

[Grievances/Complaints – Procedure](#)

Grievances/Complaints – Procedure

Queanbeyan-Palerang Family Day Care recognises that parents, educators, and staff have a right to comment and complain about the services they receive. Services benefit from feedback from parents, educators, and staff because problems can be identified, resolved, and will be viewed as an opportunity for improvement. In the interests of quality care and good relationships, these complaints need to be attended to efficiently, expeditiously and in a positive manner.

Grievances should be resolved as informally and quickly as possible by the parties involved. When grievances cannot be resolved informally by the persons directly involved, a formal grievance process should be provided (see section on “Complaints/Grievance Procedures”).

Not all disputes can be handled in one format and judgement needs to be made on what style is appropriate to suit each individual dispute.

Queanbeyan-Palerang Family Day Care encourages parents and educators to contact Co-ordination Unit staff if they feel they have been treated unfairly or if they believe their situation deserves special consideration. Parents and educators can also complain if they believe that the service they have received from staff or educators is sub-standard.

The complainant will be asked to provide information regarding how the situation could be rectified to their satisfaction.

Complaints can be resolved through communication and negotiation and should aim to achieve a satisfactory outcome for all involved.

Complaints/grievance management procedures should:

- Ensure that the complaint/grievance is resolved at the earliest possible stage.
- Ensure that the complaint/grievance process is fair to all parties involved in the complaint.
- Ensure that the person making the complaint/grievance is protected against recrimination or reprisals if they exercise their right to complain.
- Ensure that the complaint/grievance is accepted with courtesy and respect.
- Ensure that the person making the complaint/grievance is aware that they can use an advocate if they wish.
- Ensure confidentiality and privacy guidelines are adhered to (see section on “Confidentiality and Privacy”)
- Allow changes to be made to procedures, policies, and practices, if deemed necessary
- The person receiving, the complaint will clarify issues by actively listening and questioning the complainant to further understand the issues.

Where a parent or educator has a complaint or grievance in relation to a parent/educator/staff member, the following steps will occur:

- i. Families and educators are encouraged to communicate any concerns or complaints directly to the educator or relevant staff member.
- ii. If this does not resolve the matter, the parent or educator should feel free to raise the matter with the Nominated Supervisor. The Nominated Supervisor will undertake to discuss the complaint/grievance with the parent/educator/staff member involved. Reports will be prepared

following any meeting which may occur. (If the complaint involves the Nominated Supervisor, then step (iii) should be taken. The Nominated Supervisor will conduct a thorough and impartial investigation into the complaint. This may involve speaking with all parties involved, reviewing documentation, and gathering any other necessary information.

- iii. If the problem is still unresolved, either party may ask for the matter to be referred to the Manager Education and Communities if required. Upon receiving a complaint, the Manager Education and Communities will undertake to investigate the complaint/grievance within seven days, including meeting with those concerned as required. The person making the complaint will be informed of any outcomes. This may be verbal or written, as appropriate. A written record of all meetings will be kept and forwarded to the participants. The Service Manager Education and Communities will prepare a report for the Director of Community, Arts and Recreation. Staff will follow through to determine that complaints and grievances have been successfully resolved to everyone's satisfaction.
- iv. If the matter is not able to be resolved at this level, the matter may be referred to the Director of Community, Arts and Recreation.
- v. If the matter cannot be resolved, then the complaint will be reviewed or investigated by senior staff members from Queanbeyan Palerang Regional Council. All written records will be forwarded to the Queanbeyan Palerang Regional Council prior to their meeting and the person making the complaint will be informed of the outcomes in writing.
- vi. Any matter that alleges the service has contravened the Education and Care Services National Regulation or Law or compromised the health safety or wellbeing of any child within the service, will be reported to the regulatory authority via the NQA ITS. These allegations are taken seriously, and an immediate resolution sought.

Any meetings conducted during this process will be recorded.

All parties involved in the complaints and grievance process shall maintain strict confidentiality regarding the details of the complaint, investigation, and resolution, except where required by law.

If the person making the complaint has concerns regarding the way in which the complaint is being handled, he/she has the right to request that the matter be referred to any of the above named at any time during the process.

After the complaint or grievance has been dealt with it will be analysed to determine how the problem occurred and if the service should implement any changes to policy or operational procedures because of the matter to avoid similar problems in the future.

In some situations, it may be necessary to seek the services of an independent agency or to some other alternative resolution procedure or, as a last resort any legal remedy.

Grievances and complaints policy is reviewed regularly and evaluated annually, or whenever an incident occurs to ensure the processes are clear and fair.

Policy review date: July 2023

Next Policy review date: July 2024

Relatives in Care Policy

1. OUTCOMES:

Family Assistance Law limits the number of children to whom a Family Day Care educator can provide care at a service if they are related to the educator.

2. POLICY:

Queanbeyan-Palerang Family Day Care educators ensure that less than 50% of the children whom they care for are not related to them.

The ruling states that it is a condition for continued approval of a Family Day Care service that the provider ensures that less than 50 per cent of the children to whom any Family Day Care educator is providing care within any Child Care Subsidy fortnight at the service are related to the Family Day Care educator as a:

- niece or nephew
- cousin
- grandchild (including a great-grandchild).

It is important to note that:

- relatives of the children in care not listed above will not be treated as relatives.
- relatives of a Family Day Care educator's partner (by either de facto or marriage) will be considered relatives of the Family Day Care educator.
- the ratio of 'less than 50 per cent' is applied to the number of children cared for at the service across the whole Child Care Subsidy fortnight and not to one session of care.

3. RELEVANT LEGISLATION:

6. RELEVANT PROCEDURES

Information sharing between parents, educators, and coordination unit policy.

Relatives in Care – Procedure

Queanbeyan-Palerang Family Day Care must ensure that more than 50 per cent of the children to whom any Family Day Care educators is providing care for are not related to them within any Child Care Subsidy fortnight.

Educators must ensure that the children related to them must make up fewer than half of the children enrolled to whom they are providing care in fortnight.

Educators' agreement

As part of the educators' contractual agreement with the service, educators will acknowledge they are aware and agree to work ethically within and comply with this requirement.

Placement Contracts

When completing a placement contract prior to the commencement of care, educators must indicate on this document if they are related to the child.

Session report

Any child, who does not attend care on a contractual day must be marked absent.
