Summary

At its meeting on 26 February 2020, Council resolved to delegate the consideration of Tender 2019-54 for the construction of the Northern Entry Road and services to the March 2020 Planning and Strategy Committee meeting.

Recommendation

That Council consider report 1.1 'Tender Recommendation for South Jerrabomberra Northern Entry Road' and determine the matter accordingly.

Background

The tender was not able to be awarded at recent meetings due to a delay in receipt of the grant funding deed for the NSW Government funding component. The grant funding deed has now been received and award of tender can proceed. The local member John Barilaro MP announced the \$23m grant formally on 9 March 2020.

Subsequently, report 1.1 'Tender Recommendation for South Jerrabomberra Northern Entry Road' has been issued to councillors and published on the website on 9 March 2020, and is presented for councillors to determine at this Committee meeting as authorised by Council.
