

Welcome to our April Project Update

Keeping you up to date with the Queanbeyan Civic and Cultural Precinct. The QCCP project is changing as each week passes. The team completed the second ground floor transfer deck which has allowed formwork and precast installations to take place on the remaining ground floor. Please see below for an update of forthcoming works on the project or follow the above QR code to read more about the exciting project.

Should you have any queries or feedback regarding the works, please keep in mind ADCO's 24-hour telephone assistance line is available. Please feel free to call ADCO Constructions on 1800 232 628 should you wish to raise any concerns.

What's happening in construction?

The ground floor structure to the east of the project is now complete. Many of you might have seen the mezzanine structure from Crawford street creeping above the fence line.

The western section of the basement is transforming each day, the team will be pouring this section of the ground floor slab mid next week.
