

The Braidwood Transfer Station is a major improvement in waste management for Braidwood and the surrounding areas.

It offers residents a modern facility to easily separate their waste into designated waste streams. The different waste streams ensures increased recycling and reuse rates, and enables hazardous items to be diverted from landfill.

This facility also houses a Buy Back Shop, where you will be able to drop off unwanted (non-electrical) items or find quality secondhand goods for purchase.

Braidwood Transfer Station is located at  
117 Bombay Road

For more information, please contact  
Queanbeyan-Palerang Regional Council;  
ask for the Waste Matters team.

## What can I take to the Braidwood Transfer Station?

- Recyclables: cans, glass bottles and jars, plastic ridged containers, paper and cardboard, aluminium foil and foil containers, cartons
- drumMUSTER eligible containers
- White goods and other metals
- Green waste: tree prunings, lawn clippings, garden material (No manufactured wood accepted in the green waste area.)
- Gas bottles, paints, engine oil, batteries
- E-Waste: computers, TVs, screens, printers, computer parts and peripherals ONLY

## Fee charged for the following:

- General household (non-recyclable) waste
- Tyres
- Mattresses
- Commercial Waste (4.5tonnes GVM and over will need to call in advance to make a time for delivery.)

## Where does all the waste go?

- Recycling is transported to the Materials Recovery Centre at Hume, ACT.
- General waste is taken to the Woodlawn Bioreactor for a fee.
- Mattresses are sent for a fee to Soft Landing, which is a not for profit organisation that recycles the components of the mattresses into different products in Hume, ACT.
- Batteries, oils, gas bottles, paints, etc. are sent for recycling.
- Metals are sent to metal recyclers.
- Green waste is composted and reused.
- drumMuster containers are recycled.
- Tyres will be sent for a fee to be recycled at Tyre Cycle.
- E-Waste is recycled under the National TV and Computer Recycling Scheme.
- Your useable items, if accepted, will be sold at the Buy-Back Shop to someone who will buy and love them.
