Information for the applicant

- Council does not currently have the capacity to offer pre-DA lodgement meetings or a duty planner to answer questions. The website has a planning enquiry form that you can enter your details and questions into, and a member of the Development Support team will respond to your enquiry. Please understand that we are experiencing significant delays.
- Council also suggests applicants contact customer service to obtain an estimate of fees payable at lodgement.
- Once you have completed this checklist, together with all other required documents, should be submitted to the NSW Planning Portal at <https://pp.planningportal.nsw.gov.au/>
